RESEARCH EXPERIENCE

Diane Swonk Economics, Chicago, IL

2017-present

Economic Consultant

- Automate report generation by collecting and formatting data from different sources using Python. Package and document for use by non-programmers.
- Interpret and track macroeconomic indicators for clients.
- Conduct research on a variety of topics (e.g. diversity, natural disasters, wage growth) as needed.

Northwestern University, Evanston, IL

2016

Graduate Research Assistant, Department of Economics

- Collected, evaluated, and documented data on traded and non-traded commodity prices and quantities.
- Aided in data preparation process: harmonizing time series, documenting code, debugging.
- Proofread paper drafts for accuracy, clarity, and grammar.

University of Pittsburgh, Pittsburgh, PA

2011-2014

Undergraduate Research Assistant, Departments of Economics and Political Science

- Expanded and developed questions and stylized facts in preparation for projects resulting in two co-authorships and one publication.
- Collected and evaluated data on U.S. mayors and European ministers.
- Synthesized previous research and primary sources for use in literature reviews and other work.

TEACHING EXPERIENCE

Northwestern University, Evanston, IL

2015-2017

Graduate Teaching Assistant, Department of Economics

- Taught weekly sections of 10-40 students in five different courses.
- Developed teaching materials and evaluations/exams. [example]
- Graded various assignments and tests. In cases where writing is involved, focused on argument development, effective use of statistics, and exposition of economic intuition.

Summerbridge Pittsburgh (Breakthrough Collaborative), Sewickley, PA

Summer 2011

Teacher (Biology)

- Taught seventh grade biology in intensive six-week summer school.
- Prepared and carried out daily lesson plans consisting of labs, lectures, and homework.
- Responsible for observing, aiding, disciplining, and communicating with guardians of three main students (primary), twenty-six students on seventh-grade team (as part of teaching team), and all students in program.

SERVICE

Summerbridge Pittsburgh (Breakthrough Collaborative), Sewickley, PA

2011-2014

School Year Tutor

Schenker Essay Competition, Pittsburgh, PA

2013

Student Reader, Department of Economics, University of Pittsburgh

LEADERSHIP

Pittsburgh Undergraduate Review, Pittsburgh, PA 2010-2014

Editor-in-Chief, 2013-2014

Assistant Editor, 2012-2013

Editorial Board Member, 2010-2014

- A peer-reviewed, interdisciplinary journal published by the Honors College of the University of Pittsburgh.
- Organized details of journal publication: design, copyediting, budgeting, and distribution.
- Reduced time to reply to authors by implementing desk reject policy.
- Identified and secured faculty referees in relevant areas of expertise for selected submissions.
- Recruited new members via mailing lists, club fairs, etc.

AIDPitt/Pitt #NoSweat Coalition Against Sweatshop Labor, Pittsburgh, PA 2012-2014

Secretary, 2012-2014

Research Head, 2012-2014

- Wrote policy paper for successful #NoSweat campaign, which was designed to be accessible to a non-expert audience while signaling knowledge and dedication to cause.
- Negotiated with and educated University of Pittsburgh administrators on behalf of #NoSweat Campaign.
- Spoke to and recruited student groups to join #NoSweat Coalition, which eventually counted more than fifty organizations as members.
- Ran weekly newsletter (~500 recipients) and wrote accompanying haiku.

University Honors College, University of Pittsburgh, Pittsburgh, PA 2013-2014

Student Ambassador

- Advised Honors College staff on current and proposed initiatives.
- Represented and discussed the Honors College and the University of Pittsburgh with prospective students in interviews and open houses.
